about the F. T. Brown & Son Polled Shorthorn

OCTOBER 9th - OPPORTUNITY SALE

at

OXFORD, NEBRASKA

Oxford Commission Company Pavilion at 1:00 P.M., CST

Selling

16 BULLS

44 FEMALES

Also several 4-H Club calves

F. T. BROWN & SON, STAMFORD, NEBRASKA, have been building for several years toward this offering and the 16 top bulls and 44 choice females which they have selected are the thick, deep bodied, smooth headed, dark colored kind that have been show winners and top sellers wherever exhibited and offered for sale by the Browns. The bulls include the four year old sire, Collynie Foremost, and eleven of his sons. Collynie Foremost, by Lynnwood Nugget is the sire of the entire 1950 Brown show herd which will be on display at the Nebraska State Fair, and the members of which nearly all sell in this sale. There will be other bulls, all ready for heavy service by Collynie Front Rank, the twice Nebraska State Fair grand champion bull.

THE FEMALES include 22 cows with calves at foot, 20 bred cows and bred heifers and 2 open heifers. They are mostly daughters of Collynie Front Rank and Collynie Foremost. Many of them carry the services of Hilldale Collynie 10th, half brother to the 1948 International grand champion female and to the 1950 National Polled Congress Show and Sale top selling bull.

Brown Polled Shorthorns have been noted for their excellent substance, uniform dark colors and smooth natural Polled heads. The females are the heavy milking kind, and the entire show herd was fitted without the aid of nurse cows.

MERVIN F. AEGERTER, SALE MANAGER, SEWARD, NEBRASKA

J. E. Halsey, Auctioneer

OXFORD, NEBRASKA

BROWN'S *Polled Shorthorns*

GENERAL INFORMATION

LOCATION — Oxford, Nebraska is located on paved U. S. Highways No. 6 and 34. It is also on the Main line of the Burlington Railroad between Chicago, Omaha and Denver. The Nome Hotel will be sale Headquarters. Late telephone calls can be directed to the sale manager at the Oxford sale pavilion on sale day.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

Although the owners and sale manager will do everything in their power to insure the safety of the sale day guests, they assume no liability for accidents of any nature.

HEALTH — All cattle have been Bangs and T.B. tested within 30 days of sale date. Official vaccination for Bangs has been practised for a good many years in the Brown herd. Individual health charts will be available for each animal on sale day to allow immediate shipment.

INSPECT THESE CATTLE at any time prior to sale day at the Brown Farm located seven miles west of Stamford, five miles south and a half mile east.

PEDIGREE CERTIFICATE — A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

BIDS — Those wishing to buy who cannot be present may leave with or send their bids to the sale manager, Mervin F. Aegerter of The Shorthorn World; to Ted Aegerter, Field Representative of the American Shorthorn Breeders' Association, Seward, Nebraska; to C.K. Tomson, Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Avenue, Union Stock Yards, Chicago, Illinois; to John Miller of the Journal Stockman; to Lawrence Buller of the Nebraska Farmer, Lincoln, Nebraska or to Chuck Cook, Western Farm Line, Alliance, Nebraska.

BUYERS FROM A DISTANCE — Private planes will find ample landing facilities at the airfield one mile west of Oxford. Excellent hotel accommodations are also available at McCook and at Holdrege.

Additional list of late breeding dates will be furnished on sale day.

OCTOBER 9, 1950

Opportunity SALE

STANDARD OF GUARANTEE OF AMERICAN SHORTHORN BREEDERS' ASSN.

The cattle in this sale are being sold according to the following standard guarantee of the American Shorthorn Breeders' Association.

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or county into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

OXFORD, NEBRASKA

From the Owner -

My father, J.T. Brown came from Illinois to Nebraska when 21 years of age and homesteaded in 1871 on the first quarter section of the farm we now own and a part of the farm where we maintain the F.T. Brown & Son Polled Shorthorn herd. A team of Shorthorn oxen broke the first sod - later Shorthorn cows supplied the milk and cream which mother churned into butter which was traded for groceries. They first lived in a dug-out and later a frame house of two rooms was built, the lumber being hauled from Kearney by team.

Early Shorthorn bulls were obtained from the early pioneer breeder, Thos. Andrews, Sr., Cambridge, Nebraska. One of the early ones was led overland from Cambridge.

In October, 1915, Father and I attended a purebred sale, the cattle being sold by Dr. T.R. Butler of Beaver City. Father bought two cows, and I bought a yearling heifer and a four year old roan cow. These were the first registered cows ever on the farm, although not of choice quality as the present day cattle, their calves were superior to our grade calves and looked like the show calves I had seen at the Nebraska State Fair when a boy, which did a lot to influence me to want to breed and improve Shorthorns. We selected Collynie Special, a seven year old bull in 1940, using him until he was 13 years old. He was the bull that did a lot for our herd, siring two champions of Omaha Sales, also the dam of a reserve champion at Omaha, as well as siring Collynie Front Rank, grand champion of the Nebraska State Fair in 1942 and 1944, who sired an Omaha top selling bull, also a grand champion heifer and a reserve champion bull at the Nebraska State Fair.

Collynie Foremost has won high honors with his get - first prize get of sire; first and second prize pair of yearlings; reserve champion females, which was a member of the first prize pair of females in the Nebraska State Fair in 1949.

We call this a Polled Shorthorn Opportunity Sale because every female offered will be bred or will sell with a calf at foot and most of them will be rebred to our herd bulls, including Hilddale Collynie 10th.

We have not written many footnotes about the cattle. We feel confident that if you attend this 35th anniversary sale that you will not be disappointed in the offering.

We extend a hearty invitation to all of our friends and fellow breeders and lovers of good cattle to be with us October 9th.

F.T. BROWN

OCTOBER 9, 1950

Opportunity SALE

ROSEMARY 22nd — 1949 Nebraska State Fair grand champion female.
A daughter of Collynie Front Rank.

DO YOU LIKE SMOOTH HEADED, DEEP, THICK BODIED POLLED SHORTHORNS?

If you do, this Sale is one of the greatest opportunities for you to purchase this kind of cattle. F.T. Brown & Son have consistently bred these qualities into their Polled Shorthorns for many years. Starting with a foundation of Scotch Shorthorn cows and using on them the best Polled Shorthorn bulls available, in a carefully selected breeding program, has earned this herd recognition wherever their cattle have been shown and sold. Their aim at all times has been to produce a beef animal that would economically convert pasture, hay and grain into top quality beef. They have never overlooked the fact that the females had to be good milkers so that they would quickly and cheaply produce fast gaining calves. Their 1950 show herd, fitted without the use of nurse cows, will prove that the mothers of these calves are heavy milkers.

The four year old proven herd sire, Collynie Foremost, his eleven sons, nine daughters and the sixteen cows with calves at foot sired by him in this sale, offer a wonderful opportunity to tie to a consistent line of producers.

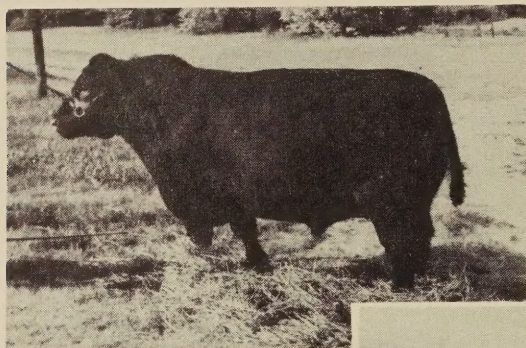

Always seeking the best herd sires available, the Browns recently added the junior herd sire, Hilddale Collynie 10th and thus are blending in the blood that has been producing champions and top sellers at National shows for the last several years.

It is indeed a pleasure to join F.T. Brown and his son, Stanton, and their herdsman, Earl Ferguson, in making preparations for the presenting of this offering on October 9th. There is plenty of opportunity to buy the right kind of Polled Shorthorns and it is a pleasure to recommend them to buyers everywhere.

MERVIN F. AEGERTER, Sale Manager

COLLYNIE TOP FLASH — The sire of this bull placed first as a summer yearling at the Nebraska State Fair and was purchased by Grimsi Goodman & Son, Milton, North Dakota. His dam Rosemary 16th also produced Collynie Top Flight, a grand champion and top selling bull at Omaha and purchased by J. A. Schroeder & Sons, Arcadia, Iowa.

ROSEMARY 24th — this daughter of Collynie Foremost was the 1949 Nebraska reserve grand champion female and has been retained in the Brown breeding herd. She is the 1950 Iowa State Fair grand champion female.
